Subject: Confidential settlement discussions

Pierce & Paul,

This is to confirm that Ellis agrees in principal to settle this matter along the lines we have discussed. I think you are correct that the drafting will be complicated, and we are prepared to discuss some of the terms in more detail before you put pen to paper, if you think that would be useful. I will be in my office tomorrow as of 10AM NY time until about 6PM, with two or three hours when I need to attend to other commitments. Let us know what times are best.

John
